Boston Real Estate Exchange Services

The Real Estate Exchange allies the real estate brokers, owners, trustees, tenants, conveyances, builders and others interested in real estate in Boston, for the advancement and protection of the great real estate interests of the community. All the real estate brokers of prominence in Boston, with few exceptions, and many of the prominent landlords, trustees and tenants, representing property interests, approximately three fourths of the entire real estate valuation of the city, subscribe to the work of the EXCHANGE through membership.

The Exchange aims also to strengthen the important business of real estate brokerage by promoting high standards of business dealings and by encouraging a valuable "esprit de corps" and good fellowship through co-operative work for common interests. It is one of the oldest of the many similar real estate bodies in the country, is inferior to none in influence or in the service, direct or indirect, it gives its members, and has always been carefully and conservatively administered by directorates including prominent representatives of both the landlord and broker interests.

SERVICES of the EXCHANGE to Members include:

Arbitration. The EXCHANGE provides an Arbitration Committee to arbitrate differences between members. Records are kept at the EXCHANGE of all matters heard and recommendations made by the Committee.

Appraisals. The EXCHANGE has a Committee to examine real estate and appraise its values. The EXCHANGE issues certificates of valuation as found by the Appraisal Committee, the fees for this service being based on the value of the property.

Real Estate Legislation. The numerous bills annually brought before the Legislature directly or indirectly affecting the real estate interests of Boston are carefully examined by the Legislative Committee of the EXCHANGE and the more important are favored or opposed according to their merits. Special counsel is employed on matters of legislation affecting real estate titles and laws.

The Brokers' Board is composed of members of the EXCHANGE who are regularly engaged in business as Real Estate Brokers. The Board discusses matters relating directly to the Brokerage business and may recommend action by the EXCHANGE to improve the standards and advance the interests of Real Estate Brokers.

The Building Managers Association is composed of members of the EXCHANGE and any designated employees engaged primarily in management of property. The Association investigates and discusses subjects of interest to building managers. It may make reports and recommendations to the Directors through the Secretary.

Book of Assessments. The EXCHANGE publishes yearly, for distribution to members without charge, the book of "Assessed Values of Real Estate in Boston" covering the City Proper, Back Bay, the Warehouse district of South Boston, and the Fenway district of Roxbury.

Assessors' Valuation. The EXCHANGE makes a complete copy of the valuations of all real estate in Boston, as compiled each year by the City Assessors. Its files now cover all such valuations since 1889 and may be consulted without delay by telephone or at the EXCHANGE.

Rates of Brokers' Commissions. The EXCHANGE rates of commission form the recognized scale of charges for the various services rendered by real estate brokers in Boston and its suburbs. Large schedules of these rates are issued to members for office use during membership.

Exchange Form of Contract. An improved form of contract, or agreement, for the sale of real estate has been prepared and copyrighted for use of members only, with imprint of name and office if desired.

Short Forms of Deeds. New Statute forms of Warranty, Quitclaim and Mortgage Deeds, for use of members are on sale at the Exchange.

Mercantile Agency. The EXCHANGE has the R. G. Dun & Co. "reference book," covering the New England States, New York and Canada, for use of members. A special report of any individual or firm not rated is furnished for a moderate fee. In this way broker and other members may quickly ascertain the standing of unrated applicants for stores, offices, houses, apartments, etc.

Suffolk County Transfers. The EXCHANGE receives each morning from the Suffolk Registry of Deeds a summary of all the real estate transfers in Suffolk County recorded during the previous day. It has files of such transfers since 1890.

Card Catalogue of Transfers. The EXCHANGE keeps a card catalogue, under street and city district headings, of transfers of real estate in Boston, enabling members to follow changes of ownership and the character and number of city land transfers since January 1, 1906.

Atlases and Maps. Standard atlases and maps, issued since 1890, of Boston, cities and towns of the Metropolitan District, North and South Shores, and late atlases of Newport, Manhattan and Bronx Boroughs, etc., etc., are at the service of members. As brokers usually require in their business only a few of the many atlases issued, but may wish to consult all of them occasionally, membership in the EXCHANGE will save unnecessary outlay for such publications.

Members' Library. The collection of real estate publications made during the past twenty years forms a useful library of reference both for real estate brokers and landlords. City and town reports of Metropolitan Boston communities, of the various City and State Commissions whose work relates to real estate interests, census reports, etc., are at the service of the Members.

The Exchange Auction Room is well lighted, quiet and convenient for sales of real estate, foreclosures of mortgages, stocks, etc., by auctioneer members of the EXCHANGE, and the EXCHANGE fees for sales are extremely moderate.

Annual Dues. For resident annual membership, thirty dollars (to stockholders, twenty-five dollars); for non-resident annual membership, fifteen dollars.

For information regarding the EXCHANGE or its membership, application may be made to the Secretary-Treasurer, 8 Congress St.

Name changed from Real Estate Exchange and Auction Board by vote of Stockholders, at annual meeting held on January 19, 1917.

ACT OF INCORPORATION. Chapter 153: Acts of 1889.

Section 1. Francis V. Balch, Henry M. Whitney, Robert S. Minot, Grenville T. W. Braman, Eben D. Jordan, George Wheatland, Jr., John Mason Little and Frederic H. Viaux, their associates and successors, are hereby made a corporation by the name of **REAL ESTATE EXCHANGE AND AUCTION BOARD**, with all the powers, rights and privileges and subject to all the duties, restrictions and liabilities set forth in all general laws which now are or hereafter may be in force relating to such corporations.

Sec. 2. The capital stock of said corporation shall be ten thousand dollars, and shall be divided into shares of one hundred dollars each; said capital stock may be increased from time to time in the manner provided by law to any amount not exceeding three hundred thousand dollars; and it shall not commence business until its entire original capital is actually paid in, in cash. The office and principal place of business of said corporation shall be in the city of Boston, and it may hold real estate suitable for the transaction of its business to the amount of three hundred thousand dollars.

Sec. 3. The said corporation may establish and maintain a central room or station in said Boston, for the sale of real estate and securities at auction; and lease stands to auctioneers, and furnish a general meeting room for real estate owners and others; and prepare and collect maps, plans, statistics and other records relating to real estate and subjects connected therewith; and do and perform such other matters as relate to real estate interests and dealings therein.

Sec. 4. Any court of law or equity and any court of probate and insolvency of this Commonwealth may, by decree or otherwise, direct any or all sales of real estate or personal property ordered to be sold by such court, to be held at the salesroom of said corporation.

Sec. 5. This act shall take effect upon its passage. (Approved March 22, 1889.)

BY-LAWS

ARTICLE I.—Corporation and Membership

The corporation shall consist of all persons owning shares of its capital stock, but no stockholder shall have membership in the Exchange and be entitled to its privileges until he has been duly elected a member by the Directors under such rules and regulations as they may from time to time prescribe. Members shall have access to the Exchange subject to the rules and regulations made by the Directors. Annual members may be elected by the Directors subject to such rules as they may prescribe. Membership in the Exchange cannot be assigned or transferred.

ARTICLE II.—Officers

The business of the corporation shall be conducted by a Board of Directors not exceeding fifteen in number, who may be chosen from Stockholders or resident members not stockholders. The officers of the corporation shall be a President, Vice-Presidents, not exceeding fifteen in number, a Treasurer, a Secretary and a Clerk.

ARTICLE III.—Directors

Section 1. The general conduct of the affairs and business of the corporation shall rest with the Board of Directors. They shall be elected by ballot each year at the Annual Meeting of the corporation, and shall hold office for one year, or until their successors shall have been chosen. The Directors may fill vacancies in their number until the next Annual Meeting. At any meeting of the Directors at least five members must be present to constitute a quorum, and all acts done by said quorum shall be valid.

Sec. 2. The Directors shall choose as soon as possible after the Annual Meeting a President from their own number and a Secretary, who shall respectively hold office for the term of one year or until their successors shall have been chosen. The Directors shall also choose at said subsequent meeting Vice-Presidents not exceeding fifteen in number. The Directors may fill vacancies in their own number or in any of the offices for unexpired terms.

Sec. 3. The Directors may appoint and remove all agents, clerks, and other servants of the corporation, and shall fix the compensation of all officers and employees. They shall adopt such rules and regulations as they may deem expedient for membership in the Exchange, and for the good order, comfort and convenience of the members, and prescribe and enforce penalties for violations thereof. They shall fix rents for auction stands, fees or charges for membership in the Exchange, and for public sales held in its auction room. They shall declare dividends from time to time, from earnings, and generally conduct the affairs of the corporation.

ARTICLE IV.—President

The President shall preside at all meetings of the corporation and of the Directors, and perform such duties as may be prescribed by the Directors. In his absence the first Vice-President who is a Director, shall serve in his place, or a president pro tempore shall be named to serve for the meeting.

ARTICLE V.—Vice-Presidents

The Vice-Presidents in their order shall preside at meetings of the stockholders, and also at meetings of the Directors, if they are members of the Board, in the absence of the President; and shall discharge such other duties as the Directors may assign to them.

ARTICLE VI.—Treasurer

The Treasurer shall give bonds in such sum, and with such sureties, as the Directors may require. He shall collect and receive moneys due the Company, and deposit the same in its name, in such bank, or banks, as may be approved by the Directors. He shall attend all stockholders' meetings, with the books and papers of the corporation. A complete settlement of his accounts and books shall be made once a year, in the month of December, or more frequently if the Directors require it. He shall keep the stock-books and issue certificates of stock, and perform all other duties pertaining to his office.

ARTICLE VII.—Secretary and Clerk

The Secretary shall be the executive officer of the Exchange, have charge of its offices and its employees and perform all duties imposed upon him by the President or by the Directors. He shall act as Secretary of committees of the Directors or of members, if so requested by the Directors, by the President or by such committees and keep the records thereof. The offices of Secretary and Treasurer may be held by the same person.

The Clerk shall attend all meetings of the stockholders and of the Directors, and keep accurate record of all proceedings thereof. He shall issue all notices of the Company, and shall attend to such correspondence or other duties as may be incident to his office or may be assigned him by the President or Directors.

ARTICLE VIII.—Meetings

Section 1. The regular Annual Meeting of the stockholders of the corporation shall be held on the Wednesday succeeding the first Monday in January of each year, at such hour and place in the city of Boston as the Directors may determine. All stockholders' meetings shall be called by an advertisement signed by the Clerk and published in at least one newspaper printed in the city of Boston, at least seven days before the day of the meeting, and by a notice mailed to the address of each stockholder. Special stockholders' meetings may be called by the Directors at any time, and also at the written request of the holders of thirty (30) per centum of stock. Such request shall be made to the President, who shall thereupon direct the Clerk to issue the usual call for such meeting; and in case of neglect or refusal so to call, said shareholders may themselves call said meeting, and all legal acts done at such meeting shall be valid.

Sec. 2. The stockholders shall choose at the Annual Meeting by ballot the Directors for the ensuing year, not exceeding fifteen in number, a Treasurer and a Clerk of the corporation, who shall also be Clerk of the Directors, and there shall be at least forty (40) per centum of the capital stock represented to constitute a quorum at any meeting of the stockholders. Each share of stock shall be entitled to one vote, and such vote may be given personally or by proxy: but proxies shall be in writing and delivered to the Treasurer before the meeting, and be kept in his records.

Sec. 3. The Directors may hold periodical meetings at the office of the corporation, or shall meet whenever called together by the President, or by not less than three Directors, if they so request in writing. Notices of meetings shall be signed by the Clerk, or, in case of his failure to so notify, by three or more Directors. At every meeting at least five Directors must be present to constitute a quorum.

ARTICLE IX.—Certificates

Certificates of the stock of the company shall be numbered, authenticated by the Seal of the Company, and signed by the President and Treasurer. Certificates must be assigned by endorsement. Stock transfers shall be recorded in the books of the Company, and the returned certificates shall be endorsed "Cancelled;" and no such exchange shall be made without being thus registered, nor without the surrender and cancellation of the old certificate. No certificate shall be transferred so long as the holder thereof is indebted to the corporation, without the consent of the Directors. No person or corporation shall hold at one time more than ten shares of the capital stock.

ARTICLE X.—Seal

The corporation shall have a Seal, which shall be in the custody of the Treasurer, to be of such design as the Directors may from time to time determine, but which shall bear the legend "BOSTON REAL ESTATE EXCHANGE. Incorporated, March, 1889."

ARTICLE XI.—Amendments

These by-laws may be added to or amended only by a vote of a majority of the shareholders present at any meeting in the notice for which the amendment desired is inserted. Notice of the amendment desired must also be posted in the office of said corporation at least seven days before the meeting, but the meeting shall not be confined to the form proposed, but may pass any amendment within the fair scope of the notice.

Taxes Paid by Lessees

Taxes on leased premises to be paid by Lessees shall be treated as part of the rent on which brokers' commissions are chargeable, using the taxes for the current year when ascertainable, otherwise those for the previous year, as a basis. In case of leased premises not previously assessed, the taxes may be estimated or the assessment thereof awaited.

Long Term Leases

On a lease for a term of more than 21 years, the commission shall be computed on the first 21 years of the term only.

Sales Options in Leases

In case of a lease containing an option to purchase, the broker is entitled in any event to a commission, as herein provided, for negotiating the lease. If the option to purchase is exercised, the broker is then entitled to receive from the original lessor an additional commission, if any be necessary, to make the total commissions equal a commission on the sale plus a commission on the lease up to the time of the transfer of title.

Renewals of Leases

When a broker is employed to renew a lease, he is entitled to a full commission if the lease is renewed with an increase of rent, or to a half commission if renewed without increase of rent.

Extensions of Leases

When a right to extend a lease, as provided therein, is exercised, the broker who negotiated the lease is entitled to receive from the original lessor a commission on such extension; but the total commissions on lease and extensions shall not exceed the amount chargeable for both considered as one term.

Sale of Lease, Good-Will or Personal Property

The broker is entitled to a commission of 5% of the amount paid therefor, in addition to a regular commission on the lease.

Payments for Options

In case of option not availed of, the broker is entitled to receive one-half of the amount paid for the option, or one-half of a regular commission on the proposed transaction, whichever is the lesser.

CODE OF ETHICS

BROKERS' BOARD

BOSTON REAL ESTATE EXCHANGE

PART ONE

Relations of Brokers with their Clients and Customers

I. SERVICE

1. A client is entitled to the most diligent effort in his interest and the fullest information and best advice which his broker can give.
2. A customer is entitled to careful consideration of his requirements, reliable information and such helpful suggestions as a broker may properly offer.
3. A broker should promptly submit to his client all reasonable offers, from whatever source received.
4. A broker should read the legal papers which pass through his hands and should offer suggestions which seem advisable to make them conform to agreements which have been reached without, however, assuming responsibility for their sufficiency.
5. A broker should advise a purchaser to have the title to property examined by a competent conveyancer.
6. A broker who has negotiated a sale should offer to prepare a statement of adjustments for approval by all parties concerned before the time for passing title.
7. A broker, when asked to appraise or give advice on real estate, should not make a hasty or ill considered reply, but should either decline to act or take time to acquaint himself with the matter thoroughly before rendering a report or opinion; and should make a fair professional charge for such a service.

II. EMPLOYMENT

1. The listing of property with one broker as sole representative of the client is strongly recommended because it establishes a more professional relation between the client and his broker, entitles the client to the fullest advantage of his broker's knowledge, advice and service, places responsibility for results and prevents complications with other brokers. Efficiency of service is assured by co-operation between brokers as hereinafter set forth.
2. A client should make clear to a broker whether or not he is employed as sole broker.
3. A broker should establish clearly who is his client and should always keep in mind the relations of broker to client and of broker to customer.
4. A broker who is employed to negotiate in the interest of a buyer or lessee should disclose that fact to the seller or lessor; and the employer, being the client, should agree to pay the broker's commission.

III. QUALIFICATION

1. Acceptance of a listing as sole broker should be an assurance to the client of good facilities for accomplishing desired results and of diligent effort toward that end.
2. A broker should not list property as sole broker when not qualified and equipped to render efficient service, but should refer the client to a broker who can render such service.
3. A broker should inspect property listed by him so that he may advise his client intelligently and avoid misrepresentation to customers.

IV. SIGNS

1. Displaying the signs of more than one broker on the premises cheapens the property and may lead to complications. Displaying the sign of only one broker is recommended.
2. A broker should not display a sign on property without his client's consent.
3. A broker's sign displayed alone on the premises should denote sole authority to represent his client for the purpose indicated by the sign (unless the client is a recognized operator) and should be so understood by the client.

V. COMPENSATION

1. Clients should respect the established Schedule of Brokers' Commission.
2. A broker should receive his commission from his client and should not accept compensation from any other party to the transaction without his client's knowledge and consent.
3. Brokers should not be required to share their commissions with any persons other than recognized brokers who are not acting as principals.

VI. PROTECTION

1. A client who has placed his property solely in the hands of one broker for a specific purpose should refer to him all inquiries relating thereto.
2. A client should take care that information which he supplies to his broker is correct and complete.
3. A customer dealing with a broker regarding certain premises should not, while the matter is pending, enter into similar dealings with another broker regarding those premises.
4. Clients and customers should not misuse information received from brokers.

5. A broker should not definitely offer property without authority to do so.
6. A broker should not buy from his client property placed in his hands for sale, nor sell his own property to a client who has engaged him to purchase, without the client's knowledge and consent; and in such cases the broker should not charge a commission.

VII. ARBITRATION

1. A disagreement which the parties themselves are unable to settle should be submitted to the Arbitration Committee of the Boston Real Estate Exchange for decision. Litigation should be avoided.

PART TWO

Relations between Brokers

I. CO-OPERATION

1. A broker should always be ready to deal fairly and frankly with another recognized broker in a mutual endeavor to serve the respective interests of their clients and customers.
2. A broker should not express unwillingness to deal through another broker when requested to do so by a client or customer, nor should he solicit, directly or indirectly, any business of a client or customer which is solely in the hands of another broker.
3. A broker dealing through another broker should not, without the latter's consent, approach that broker's client or customer in regard to the pending transaction.
4. A broker should give to an offer received through another broker the same treatment and consideration as if it had been obtained by himself.

II. INFORMATION

1. A broker should, on request by another broker and when consistent with his client's interest, give accurate information in regard to a specified property listed solely with him and afford opportunity to show the same.
2. A broker accepting information from another broker should make only such use thereof and quote only such terms as are authorized, and in giving such information to a third party should endeavor to safeguard the rights of the broker who gave the information.
3. A broker volunteering information about property which is not in his hands, to another broker, should so state and should not expect that broker necessarily to deal through him regarding that property, unless it is so agreed.
4. A broker dealing through another broker should not disclose his customer's name until he has obtained a proposition to submit, unless requested to do so.

III. LISTING

1. A broker should carefully list property received through another broker, recording that broker's name and the date.
2. A broker, when asked to list premises which have been solely in the hands of another broker, should treat the listing as coming through that broker, unless the client, of his own volition, is terminating that broker's authority to represent him or, in special cases, arranges with both brokers that either may represent him.

IV. SIGNS

1. Brokers should encourage the practice of having the sign of only one broker displayed on the premises.
2. A broker should not disregard another broker's sign but, for the purpose indicated by the sign, should deal through that broker if he has sole authority to represent his client.
3. A broker usually should not display his sign alone on the premises unless he has sole authority to represent his client for the purpose indicated by the sign.
4. If a broker's sign is displayed on the premises of a recognized operator other brokers may go directly to that operator.
5. If a broker's sign is displayed with that of an owner or lessee other brokers may go directly to that owner or lessee.
6. In special cases the display of the signs of more than one broker may be authorized, if mutually agreed to by the brokers involved, in which case other brokers may go to either of them.

V. COMMISSIONS

1. Brokers should maintain the established Schedule of Brokers' Commissions.
2. Brokers who work together on a transaction should usually share the commission, when received, in halves. Brokers negotiating an exchange of properties, however, should not pool and divide their commissions without the consent of their respective clients.
3. A broker receiving compensation from a buyer or lessee should not claim a share of the commission paid by the seller or lessor.
4. A broker dealing through an agent who is also a recognized broker should accept a half commission, but when dealing through an agent who is not a recognized broker is entitled to a full commission.
5. The mention of a prospect's name should not be held to establish a claim to a share of a commission. Effective participation in the work of conducting and closing the negotiation should be the grounds for sharing the commission, except in a case where by agreement one broker assumes charge of the entire negotiation.
6. A broker is not obligated to another broker for bringing him a customer after the consummation of the first transaction resulting from that introduction.
7. Brokers should refuse to share commissions with any persons other than recognized brokers.

VI. INTERFERENCE

1. A broker should not, without good and sufficient cause, speak disparagingly of another broker, nor attempt to interfere with another broker's deal except as may occur through the offering of more attractive propositions in fair competition therewith.

VII. CONCILIATION

1. A disagreement between brokers regarding the ethics of a transaction should be submitted for advice as to its fair settlement, by requesting the Chairman of the Brokers' Board to appoint two or more members of the Committee on Ethics to give such advice, before resorting to arbitration. Litigation should be avoided.

TO MEMBERS OF THE BOSTON REAL ESTATE EXCHANGE

IN accordance with an authorized agreement made with the various firms in the building trades who have taken space in the "Book of Assessed Values of Real Estate in Boston," for 1922, the Boston Real Estate Exchange now maintains a file wherein each advertiser is listed according to the trade he represents.

As no new advertising was solicited from anyone not known to one or more members of the Exchange, each of these advertisers automatically acquires a reference which appears against each name in this file.

It is the desire of the Exchange that all members who have work which can be done by any of these advertisers should refer to this file and give these firms an opportunity to bid on it.

The attitude of these advertisers is now most cordial and their good-will, helped by successful advertising, will be the means of increasing the income of the Exchange from this source in the future.

Furthermore, you can find reliable firms to do your work by using this list. Just telephone the Exchange (Main 3022), and the information will be given you.

is a member of the National Association of Real Estate Boards and thereby affords to all its members the benefits of affiliation with 470 real estate boards in the United States and Canada in an association the objects of which are as follows:

1. To unite the real estate men of North America for the purpose of exerting effectively a combined influence upon matters affecting real estate interests;
2. To enable its members to transact their business, connected with the buying, selling, renting and caring for real estate, and the loaning of money upon the same, to better advantage than heretofore, by the adoption of such rules and regulations as they may deem proper;
3. To promote and maintain high standards of conduct in the transaction of the real estate business;
4. To formulate and enforce a code of ethics for the members of the National Association;
5. To license to its members the right to grant the use of and to use the designation "Realtor," which is hereby defined to mean a real estate man who is an active member of a Member Board of the National Association of Real Estate Boards, and as such an affiliated member of the National Association, who is subject to its rules and regulations, who observes its standards of conduct, and is entitled to its benefits, and,
6. To protect the public against unethical, improper or fraudulent practices by real estate men or irresponsible brokers by the affixing of the word "Realtor" to advertising matter, stationery, signboards, stock certificates, bonds, mortgages, and other instruments or other material used by or in connection with the real estate business, so as to educate the general public to trade only with those persons who have agreed to observe the standards maintained by the National Association.
